Dear Prayer Partners,

It brings us joy to share our praise and thanksgiving with you. God has done great things among us.

We praise and thank our God for the successful family camp we conducted in May. We led sessions on conducting evangelism and street preaching. During the sessions on evangelism, the children had their own activities and Bible lessons. We thank the Lord that our need for funding to get our families home again was provided by some campers from another fellowship who had attended our lectures.

One way we develop leadership within the church is to sponsor Good News trips during summer vacation. During this time, the trainees learn how to be good stewards, servants and shepherds as they work together to evangelize. Through this training, each person's strengths and flaws will surface. During our daily devotion time, we will then be able to discuss any problems, make adjustments if necessary, and lift it all to the throne of grace. It is our desire that the leadership be developed under the full guidance and guardianship of the Holy Spirit. We have to shun anything that would hinder us as leaders in our families and our fellowship. Please pray that God will continue to show us where we need to grow spiritually in order to become mature followers of Jesus. Pray that our leadership development will bear much fruit as the trainees reach out to others.

We glorify our God with much thanksgiving for the Good News Foundation which keeps on developing sets of lesson materials for us. We thank the Lord that the individuals who attend our Bible studies and cell group meetings continue to use the Good News manuals to learn the basic doctrines of the Bible. Pray that they will apply the principles they have learned to their daily lives and grow into mature Christians.

Thank you very much for your faithful support and encouragement. Please continue to keep us in your prayers as we seek to develop strong families and godly leaders.

Yours in Christ,

Pastor Ben Clareza

PRAYER REQUESTS
