Dear Prayer Partners,

Praise be to God for the successful evangelistic youth Christmas party held December 18. Youth from the ages of 13-20 joined us in prayer and heard the word of God. Afterwards, we had some games for them; it was a very festive time. We thank the Lord because several youth who were invited confessed faith in Jesus Christ. All of them were very thankful for the gift exchange, but they were especially grateful for the spiritual blessing they received through the message from God's word and through the message of the songs that were sung. Please pray for us as we follow up with them. Pray they are truly saved.

I thank the Lord, indeed, for the opportunity to be a part of White Fields. It has been four years since we started this work and all I can say is that God is faithful. Although we experienced a big blow to our ministry through typhoon Ondoy, God continued to lead His people and brought new people to the ministry. Some of our members had to relocate because of the great storm. Some are still continuing to worship God, just in other churches. But there are others who stopped going to church altogether.

As of now, I cannot say that our small fellowship is established. But I can say that the Lord is continuing to teach and mold us. We now have a few men who can handle the responsibility of teaching and they are able to lead us in prayer. I am happy that these few men are greatly involved in our decision-making. Please pray for us, that God will continue to use us.

We also have strong families who support the work in this area. Our feeding program for the malnourished children continues to impact the community. I thank God for those whom the Lord uses to sustain this ministry for the children.

I can't thank you enough for the help and prayers you have extended to our ministry all these years. Thank you very much for your support. The Lord will truly bless you as you continue to help men in the field like me. Pray that the Lord will use many individuals here to help us as we desire to fulfill our task of sharing the gospel in Marikina. Thank you very much!

Blessings,

Pastor Getulio David
