Dear Prayer Partners,

Greetings in the mighty name of our Lord and Savior Jesus Christ! As we continue to establish new contacts in this area, the Lord has led us to the family of Mr. and Mrs. Alfredo Fabillar. Alfredo is a fisherman and his wife Emily sells the fish at market and door-to-door. I encouraged them to have a Bible study in their home and they gladly agreed. We have since been holding the study in their home and now they are believers. We taught them assurance of salvation and they are so happy in their new life. This couple is faithfully attending our Bible study and church. People are being added weekly to their study as neighbors come to join us. Please help us by praying for the new faith of this couple and that they will be used by God in His vineyard. I am so blessed by this family. Praise God!

To date, we have three Bible studies each week, in addition to weekly prayer meetings and worship services. I thank the Lord for the leaders He has raised up who are supportive of this work. Our young people are also doing well, and my daughter is leading the praise and worship team. They practice every Sunday afternoon. Please pray God will continue to reach out to them as I minister to them personally.

I thank God, indeed, for the opportunity to work for White Fields. I am very happy to be part of this mission work, knowing you are my partners. On behalf of my family, we say "thank you" for your prayers and financial support.

My wife was diagnosed with stage 3 cancer in 2009. I praise God she is doing well today having had a series of treatments that has lasted these past three years. She is back to her normal self and is also back to work. We are praising God for this and also that my daughter will soon graduate from college. My wife helps me with the children's ministry by heading up their Sunday school. She loves to teach children and she is enjoying every bit of her work. Please pray for us because as a family, we would like to make an impact in the lives of the people here in our church-planting area. Thank you very much.

In Him,

Pastor Hector De Jesus
