Dear Prayer Partners,

God is good to our ministry here in Laguna. Our church building is almost finished. Truly God is great, and we are looking forward to the day we can finally gather together for worship in this new place.

Our church leaders are actively involved in visitation and follow-up. Just recently about 70 people came to the Lord as a result of our team efforts to reach the lost. We are conducting five Bible study groups each week. Pray that those actively involved in these ministries will continue to be committed for the furtherance of the gospel.

Last month we combined believers from our three outreach areas in nearby barangays for an evangelism fellowship. The program, spearheaded by our youth, featured native dances, games and the giving of Bibles to believers. We really thank the Lord for this great event and are praying that we can continue to minister to these people in a meaningful way.

Manny Siagon is a young man with two children who claimed to be a faithful Catholic. We met him while we were conducting ministry. He was ill at the time, so we prayed for him, and he was very appreciative. We sensed his sincerity as he listened to the word of God. When we shared John 3:16 with him, he didn't hesitate to receive Christ as Lord. We gave him a New Testament which he promised to read regularly. Manny is now a faithful member of our church and active in Bible study. He has also been helping with the construction of our new building, so we have been able to help his family financially because of his efforts.

We praise the Lord for a newly opened Bible study with a group of women who are wives of army officers. There are around 40-50 who attend, some Roman Catholic and some from a cult that does not believe in the deity of Christ (Iglesia ni Kristo). The wife of a Christian colonel helped me facilitate this study. We praise the Lord for giving us the grace and strength to sustain this group. Please pray that many souls will come to the Lord as a result of this study.

Please continue praying for all our ministries. May the good Lord shower us with wisdom and understanding as we labor in His vineyard—all for His glory and honor.
