Dear Prayer Partners,

At the close of 2011, a great thing happened—many young people were added to the church. This was the result of God's work through a youth camp that took place in Tagaytay, Cavite December 26-29. The youth invited their friends and peers to this camp for Christ. It was many campers' first time to a Christian camp. Each student paid a registration fee and some of them raised this money by singing Christmas carols around the neighborhood. Praise God for working in the hearts of the people in the community because they were given just what they needed. Thanksgiving to God was greatly expressed. I was one of the speakers at the camp; I spoke on discipleship. Truly, God worked in the lives of these young people, because they wanted to be baptized as soon as possible. Please pray this group of believers will be firm in their decision to follow Jesus Christ. Continued discipleship and ministry involvement are the next lessons we will go over with them so that they can grow spiritually.

We had a time of strategic planning in January for 2012. And the pastors in the PEACE network completed a discipleship course for their churches; I plan to use this in the church plant. I will be presenting it to the leaders and members as a yearlong program for us. I am looking forward to what God will do this year!

My wife is also excited because she was recognized as a lay worker and was commissioned as an official worker in the Church of Alpha Omega. She is grateful to the Lord for this.

I am grateful to the Lord for all the people He used for His work in this place. I am thankful for White Fields, especially Pastor Steve Wheeler and my prayer partners. Without your help, I would not have reached this point in my ministry. Pastor Leo encouraged us to continue in the work—to keep studying and growing so that we will be effective. In March, Lord willing, we will finish the basic training for the ministry. My prayer is that God will use White Fields to support more workers around the world, especially in third-world countries. I am still planning to stay here in Indang, Cavite, because the Lord has opened the door for me to study the Bible with the El Shaddai group (from the Catholic faith). I rejoice in the Lord and am grateful to the ministry of White Fields. May the Lord bless you!
