Dear Prayer Partners,

Praise God for our new contacts! During our follow-up visitations, we met Elsa Lirios. She is the mother of a barangay councilor and runs a small business. I had the opportunity to talk with her about life. I told her that a full life is found only through the Lord Jesus Christ. After several minutes of sharing, we prayed together and she told me that she was willing to host a Bible study in her home. Praise God for what happened during our meeting because she introduced me to her cousin, Mrs. Limos, who was also willing to host a Bible study in her house. One week later we were at the Limos household conducting a Bible study. There were about eight people in attendance. We are now following up with those who attended. Please help us in prayer, that these new contacts will grow in the knowledge of Jesus Christ.

We are grateful to the Lord for answering the prayers of the Apostol family. After many months of prayer for a place to live, they were asked to care for the home of a relative who was going to be out of the country for some time. They later found out that this family had been helping them with their children's education. Indeed, they said that the Lord has granted them favor and that God has answered their prayers. They were so grateful for this blessing that they immediately came to our house to share the news. We join with them in gladness because they have been worried for quite some time. Please pray for this family, that God will continually move in their lives and that they will grow in love and service for our God.

Finally, please pray for my family and me. We are trying to find a new place to live. Currently we are staying at a house owned by my wife's friend, and we are very thankful to God that they have allowed us to stay here for free. Praise the Lord. However, we will need to leave because the lot on which we are living has not yet been subdivided among the siblings of the owner, and this will be done soon. Please kneel with us in prayer that we will find a new place to stay. We also have to consider the transferring of schools for our two sons should we have to leave the area. Pray also for our physical and spiritual strength, that the joy of the Lord will overcome our worries.

Thank you for partnering with us. We are grateful for your assistance and your prayers. May the good Lord bless you.

In Christ,

Pastor Leonardo Ilagan
