

PHILIPPINES

Dear Prayer Partners,

I always praise the Lord every time I think of you. With the help and prayers that you have selflessly extended to me and to the church family of South Meadows Christian Fellowship, we can say that we are living witnesses of how our Lord helps and touches lives to carry on for His glory. We continuously honor and praise Him for the blessings He showers on our homes. All of these are because of your prayers.

We are amazed and surprised at how God has worked in the progress of this church plant. Many souls come to seek God's glory and praise Him. The believers in our established cell groups help one another overcome struggles and bring one another closer to God. But while our church grows, my wife and I feel the burden on our shoulders of watching over this flock. Because of this, we ask for your continual prayers for us and for our 24 cell leaders. Please pray that God will grant them knowledge and wisdom so that they can become true leaders of God. Pray God will grant them compassion toward one another, too.

Our activities include mentoring every Wednesday, while I, myself, am being mentored by the pastors of Wisdom Church. We also have a Bible study for the families who have attended the "Encounter God Retreat", which was spearheaded by an organization in our area.

We also look forward to God's expansion of the church. Pray for the leaders and me as we partner to grow the church to 500 members and 60 leaders this year. I strongly believe this will happen because of your fervent prayers for us. Please continue to pray for us and for God's guidance. This will not be easy, but we will happily carry on, giving God glory and praise.

Again, thank you so much for the three years of support in this place. May the Lord bless you! Rest assured that the ministry of God will continue here and that what you have helped to start will flourish by the grace of God.

In Him,

Pastor Roderick Macahiya
