

DIOSDADO MANZANO
serving in **CEBU CITY**

Dear Prayer Partners,

On December 25, we had a simple yet blessed day of celebrating Christ's birth with family and brothers and sisters in Christ. It was a day to remember. We shared a simple feast for lunch and of course, celebrating Christmas would not be complete without the word of God. After the morning service, we spent the afternoon with games and dance numbers. The different ministries performed their presentations to glorify God.

The children's ministry presented a dance number and a documentary of how God changes people's lives. The children glorified God by working and preparing diligently for one week. The beautiful smiles on their faces told how happy they are to serve God.

After the presentations, the members participated in games, such as Bible Scavenger Hunt and Bible Quiz. The youth then exchanged gifts and each game-winner was awarded a prize. The children also received gifts from my wife Nhel. Everyone, children and adults, stayed for the whole day. It really felt like one big family. The day ended in prayer and we remembered how great our God is in our lives. It was truly a fun-filled and blessed day.

Please do continue to pray for the steadfastness of the church as we enter 2012. The growth of the believers in the word of God is my deepest desire. To see them growing into true followers of Christ, serving and discipling others will be the fulfillment of my ministry.

And I want to thank White Fields, once again, for the help we have received. Indeed, you are part of our celebration. God connected you with us, across the miles, and you contributed so much to every success that has been achieved in this ministry. Every soul that has been brought into the fold of God and every territory conquered for the kingdom of God gives glory and honor to His name!!

Though I do not see you, God knows your very name and your work for us will not go unnoticed by Him and it will be rewarded what is due to you. God bless you!

In Christ,

Pastor Diosdado Manzano
