serving in **SORSOGON CITY**

Dear Prayer Partners,

I praise the Lord for His provision, not only for me and my family, but for the ministry as a whole. Indeed, the power of God through one person affects many people directly. This is true in the person of Mrs. Josefa Solana. We have known her for many years in our church-planting endeavors of this region. She has been our supporter through prayer and monetary gifts. She is also a faithful member of this church, giving her tithes and offerings to the work of the Lord. Mrs. Solana is very generous with what God has blessed her. When she found out about a sick member in the church who could not afford to see a doctor, she took it upon herself to see that the sick lady received help—and she paid the bill. Indeed, she is a blessing to us. She has told us, “Success is not measured according to the number of servants you have, but according to the number of people you serve.” Please pray for her spiritual growth and that she will continue to be obedient to the Lord.

What a joy to witness a couple coming to the Lord for salvation! Marvin and Agnes are newlyweds who came to our thanksgiving service. The Lord has really been at work in their hearts. They had been going through marital strife, but God has shown them that they need Him in their lives. Marvin’s personal witness has even brought his friends to the Lord for salvation. We are so grateful for God’s mercy and grace! Presently, Marvin and Agnes are participating in one of our small group Bible studies. Please pray that they would remain faithful in the Lord.

I am indeed thankful to God for White Fields ministry. The STEP seminar was truly great! One subject that blessed my heart was the passion week of the Lord Jesus Christ. I am really grateful that Dr. Bookman shared his great expertise with us. I am also indebted to Pastor Steve Wheeler for his leadership and for bringing all the pastors in the front line together. We were refreshed and revived. Give praise to the Lord!

Please continue praying for our ministry, that God the Holy Spirit will lead our ministry as we labor in the Lord’s vineyard. Pray that more souls will be ushered to the Lord as a result of our untiring labor.

Blessings,

Pastor Sonny Masalon
