

## PHILIPPINES

Dear Prayer Partners,

My whole family—my wife Beh and our children Joseph Paulo, Timothy and Kristin Faith—are so grateful to our God for the year that just passed. We know that all the trials we encountered were lessons from the Lord. We firmly believe what the Bible says in 1 Thessalonians 5:16-18: “Rejoice always; pray without ceasing; in everything give thanks; for this is God’s will for you in Christ Jesus.” Our God wants us to have joyful hearts through prayer. He wants us to pray continually by giving thanks for all life’s problems. We thank God for helping us pass through those trials. He stood beside us the whole time. He never left us alone.

I would like to thank White Fields director, Pastor Steve, for his love and concern for church planters, particularly here in the Philippines. I will never forget the times we had together at the seminars in Laguna. He wants to see us equipped for the furtherance of the gospel and those seminars were a great help. The books White Fields provided have become my companion for preparing my messages. The John MacArthur study Bible is one of the best gifts I have received. It helps me to understand the word of God more deeply. White Fields ministry, through the leadership of Pastor Steve, inspires all church planters to become more aggressive in pursuing the desire of our God to reach lost souls.

I also thank Pastor Leo, his wife Elma and their children for understanding all my shortcomings, particularly in my monthly report. I am thankful for the proofreading and correcting that is done so that my reports are understood more clearly. Through their efforts, I have learned so much about the church-planting ministry. They motivate my family and me to continue the work of the Lord, despite the many trials. We will continue to pray for them and White Fields. We continue to need your prayers, especially for the needs of our children, their education and our ministry.

This year the focus of the church is to equip and develop capable leaders, particularly within the youth group. We desire to see them mature in the faith and hope to see the Lord raise up future leaders. Pray for us as we mentor these young believers. Pray they can balance ministry with their careers. Please also pray for good health and wisdom for my wife and for me. Our term with White Fields has ended. Please remember us in prayer. Maranatha!
