

FELIX QUIAMCO
serving in **HAMORAWON CALBAYOG**

Dear Prayer Partners,

We thank the Lord that our training for evangelism ended successfully at the end of December. We also thank Pastors Paul Varver and Jerson Petilos who lent us the DVD materials used for training. It took us four Saturdays to go through the material that stressed the importance of spreading the word of God. We know this should be the work of every believer. But sometimes our work is hindered because of the lack of knowledge on how to share His word. This is why we decided to conduct this kind of training. Please pray our efforts will bear fruit. We thank God for the support we are receiving from White Fields which helps us continue.

The following is the personal testimony of Boboy Tarrayo: "We used to attend a Seventh Day Adventist Church for seven years in Manila. Then I came to Calbayog City. I heard that there was a Bible study held in our neighborhood every Wednesday. Our eldest daughter happened to be going to it and she invited us to come. At first, we were hesitant. But because of her persistency, we decided to attend. We were also invited to their family camp. The series of Bible studies that was taught helped us to understand things that were not clear to us before. We were freed from our old beliefs. I thank God for all the people He has used to share His word with us. We pray we will have a church near us so that we can regularly go to worship." Please pray the Lord will continue to shed His light onto the Tarrayo family.

For four years, God has been so good in fulfilling His great plan through our ministry here in Samar, Leyte. Although we will be sad that White Fields will no longer be supporting us, yet we are thankful that in our small way, we were able to start a church for God in this area. Thank you so much, White Fields, for all the help and prayers you've extended to our work in this place. Souls were saved and at this point in time, discipleship training is still going on through the help of our faithful men and women. May God bless you more and more as you continue to help other pastors in the field.

By His grace,

Pastor Felix Quiamco
