

FRANCISCO "JUN" ROMAWAC, JR.  
serving in **LAWAAN, EASTERN SAMAR**

Dear Prayer Partners,

The wonderful Lord has been gracious to us in many ways. We are humbled by the way the mission work has been going these past four weeks. My wife Nel and I are very happy to share with you what the Lord has been doing. We always appreciate your time with the Lord in prayer, especially when we know that you are praying for us. Do not grow weary in approaching the throne of God, for it is the power of Him that causes each one of us to live.

We had wonderful services each Sunday this past month. The Lord sent our way a number of people whom we have been evangelizing. The attendance of our Sunday service has been above 40 these past two weeks, not including children. Please keep praying for us to always have visitors and that we will be strong in the faith. Through your prayers, our prayers and the hard work of church-planting, we can see the hand of God in this work at Fundamental Baptist Mission, Lawaan.

We are also happy to inform you of four new converts who are candidates for water baptism. They are now in baptismal classes, which will conclude with the baptismal service.

Welmar Centillas, Mr. and Mrs. Franklin Echano, Mark Warren, Gloria Cabebehan and Lydia Inciso have been very consistent in coming to church since their confessions of faith. It is clear they are worshipping God and fellowshiping with the saints at this church. It's been our prayer that they will continue in the faith. We do ask for your prayers for those members who are not doing well spiritually. Pray also for our men's and women's ministries to be active. These groups meet once a month.

Preaching from the gospels has been encouraging to me. We all appreciate the passion the Lord has for the lost souls in His plan of redemption. Pray for me as I deliver week after week to God's people in Lawaan.

Please also continue to lift up our church building project—that we will be able to finish the second phase. At this time, we do not have the needed money to finish, which is 1.2 million pesos. But we fully trust God, that He will provide in His perfect time. Help us pray that God will be ahead of us in all these plans.

We do thank you for your prayers. We do pray for you and your ministry as well. May you feel our love and prayers. God bless you all. Amen!

Pastor Jun Romawac
