Dear Prayer Partners,

We thank the Lord there are now 19 families who are serving God in the church. All of them are growing in the Lord, but I want to tell you about two families in particular—the Malunes and Assierto families.

The Malunes family is a blessing to the church because of their generosity. The head of the family works for a mining company and although his earnings are minimal, they extend a hand to help the ministry. Whenever there is a training program held, they provide snacks to all attendees. Indeed, this is a blessing to us. They are faithful members.

The Assierto family is experiencing difficulties right now because the father lost his job. However, the three children continue to be faithful by always attending the church activities. I thank God that the family has not lost hope in God. They remain strong in the faith. Please pray the Lord will provide a job for Mr. Assierto. Please also pray the Lord will continue to use each family in a mighty way.

It is a good thing to give thanks to the Lord for His mercy endures forever! Yes, God is great because of the spiritual growth we are seeing here. We recently celebrated the children who attend our Sunday school and outreaches through the partnership of Operation Christmas Child (OCC). OCC brought us 90 boxes to be distributed to the children of Tajao. This had a great spiritual impact because each child professed to believe in Jesus Christ as Lord and Savior. The program we held also catered to the parents so that we could share our knowledge of biblical parenting with them. Both the children and the parents heard the good news of the Lord Jesus Christ. As we visit these families, the children express their appreciation for the gifts they have received—and some even wear their new shoes to church. We thank God for this great blessing. Please pray with us as our teachers plan to follow up with those who responded positively to the gospel. Pray the Lord will lead them to the right people.

In Him,

Pastor Rolando Tomarong
