serving in **TALISAY CITY, CEBU**

Dear Prayer Partners,

The leaders and members of this church are passionate in their desire to reach our neighboring places. For the past two years we have been working in one particular area which now has its own full-time worker. Having assigned this believer to serve there, God has moved us to another outreach. We have been working here for the last three months. We are using Bible League materials and Gospel Bridge presentations as our evangelistic tools.

There are seven on the leadership team who lay out the plans and make decisions. We planned out our projections for 2012 and evaluated the ministry. I am thankful for this team and their work so that I don't have to carry the load by myself. These members are committed to harvesting souls and investing in the Lord's vineyard.

We now have a feeding ministry for which we pooled our resources and met with barangay officials for approval. We are receiving help from another agency so that we can continue with this program. We are also involved in livelihood programs and opportunities for new converts to work through the "fly now pay later" agency.

We are also challenging out-of-school youth to join the Alternative Learning System, which is headed by one of our members. Those who become involved in this are usually undergraduates who have the desire to finish their educations and have employment opportunities. We also offer small business entrepreneurship to our mothers so that they can help augment their husbands' incomes.

The congregation desires to have their own permanent place of worship. Some have suggested we should take out a loan, but we are saving for the building and land instead. Hopefully the tithes and offerings will increase with our focus on helping with livelihood programs and the "fly now pay later" program.

On behalf of my family and the ministry, we thank White Fields for the help you extend to us through financial gifts and through prayers. We could not do this without your help. Our heartfelt thanks to all of you!
