Dear Prayer Partners,

As a church, we thank God for giving us the wisdom to make plans and organize programs for 2012. Please remember us in prayer as we do this; may we be in the Lord's will.

Praise God for the openness of the members to learn about tithing. We focused on this in our adult Sunday school class. Brethren, please pray that through this class and discussion of tithing, they will practice it in their lives.

We praise God for His blessing of eight individuals who followed the Lord Jesus Christ in water baptism. We were blessed to have a free venue for the baptism, and afterwards, the members were able to enjoy a time of swimming. It was a joy to see these people declaring their allegiance to Christ and His body.

We celebrated Simbang Gabi every evening from December 20-24 with the intention of reaching our Catholic relatives and friends. We also had a time of deep reflection on God's love and were able to teach those in attendance about Jesus Christ. As a result, there were three visitors who received Jesus Christ as Lord and Savior within five days after the event. Please pray for these three new believers, that they will be with us so we can disciple them.

Praise God for His provisions for the needs of "Cry in My Heart" youth camp. I thank all the brethren who blessed us from monetary gifts to material items and also vehicles for our travel. Truly the Lord is our provider. As I evaluate the event, I am satisfied that the aim to train and challenge the youth to practice friendship evangelism as part of their daily lives was met. Praise God for the thirteen family contacts and eleven adults who received Jesus Christ. It was a wonderful experience for me to hear the campers testifying and sharing the gospel. Please continue to pray for our new brethren and that we as a body will practice the follow-up ministry tool we were taught. And, please pray the brethren, youth included, will be challenged and willing to share the gospel for the glory of God. We desire to see more souls ushered into the kingdom in 2012. We want to practice obedience to the Lord by preaching and reaching out for the glory of God.

The following is the testimony of Julius "Jun" Maypa (25): "I am currently living with Pastor Rey and am working at the burger house in the subdivision. As a youth I was into vices just to survive. There was a church in the community that had a youth ministry, and out of curiosity, I went. I was blessed to hear the gospel message and it was clear to me that I was a sinner and would face judgment. The Lord spoke to me and I received Him as Lord and Savior. He is good in that He led me to Pastor Rey. He extended his friendship to me and prayed for me. He is helping me increase my love for the Lord. I am blessed by the warm welcome of the church and am now a volunteer worker. Pastor Rey also sent me to finish my studies and part of my wages at the burger house pay for the tutor. I pray I will pass my exam so I can enter college."
