Dear Prayer Partners,

We are thankful to God for our son whom He is using in this ministry. He is really a blessing to us. Our son is a member of the praise and worship team, playing the drums and guitar. He also excels in school; he is number two in his class. Praise God for what He is doing in his life!

We also thank God for our youngest child. Our prayers to have a daughter were finally answered after ten years of waiting. Her name is Joanne. She is now nine months old. Praise God she is smart, healthy and growing. Our prayer for her is that she would be a missionary someday. Her name came from the name of a missionary we had read about in a book. She is really a blessing to our family. We dedicated her to the Lord last month. It was a simple but memorable gathering. We want to give thanks to God for His goodness to us. We invited some friends to be with us on that day and we praise God for providing all our needs.

I am also thankful for the healthy body God has given me. I thank Him for giving me the discipline to maintain this gift of health. Every day I exercise one hour. This is very good for my body because it keeps me fit. I know God wants me to be a good steward of His gift; this is why I am taking care of it.

I am conducting a Bible study with my neighbors; the venue is my home. I invited my neighbors and praise God some of them are coming. We started two months ago and it is held every Monday evening. There were just a few of us in the beginning, but now there are more than 10! We are progressing and the members are growing spiritually. They always thank God for what He is doing in their lives. They are always excited to attend and listen to our teaching. Some of them are now attending our worship service and our prayer meeting! Glory to God!

In addition to this, we hold Bible Club for children every Saturday morning at our house. More than 30 children attend! Praise God! Please pray for additional workers for this ministry. Pray God will send teachers to help with this work, especially the upcoming Daily Vacation Bible School.

Thank you for your prayers and support.
