**FREDDIE GUINANG**  
serving in **MATALOM, LEYTE**

Dear Prayer Partners,

Having moved in June of 2010 from Matalom, Leyte, we are now four months into our new ministry. We praise the Lord for His faithfulness to us who have been assigned new places. Thank God we were able to start our fellowship in October. We are renting a church building (Tondo Alliance Community Church). We hold an evening service from 6:00 until 7:00 p.m. The rent we must pay is very low; they charge us only for the hour we are there. Thank God the board of the church has permitted us to return every Sunday evening. We thank God for them.

Praise God for this work, which is His—even though the ministry is new. We thank Him because we can already see His hand working in and through us. The work is growing and He is opening many Bible study opportunities for us. Everyone, especially the children, was very excited for the Christmas holiday.

Praise the Lord that my wife, daughter and I were able to spend a day with PRMI and White Fields at Grace From Heaven Baptist Church in Pasay City. We praise the Lord for this time of fellowship with my leaders and other co-workers. I also thank God for Pastor Leo and his wife Elma who organized the event. Glory to God!

Christ's servant,

Pastor Freddie Guinang
