### PRAYER REQUESTS

Dear Praying Partners,

The church planting ministry in Mitchell's Plain is slowly making progress, but not without our share of spiritual battles.

The Hermanus family from our fellowship recently committed their lives to Jesus Christ as Savior and Lord. Their daughter, Tammy, is now experiencing nightmares, and evil influences are trying to keep them from being involved in church. Pray for wisdom for her parents to nurture her. Pray also that the Lord will be victorious in their lives.

Magritte is a girl who is in the hospital because of the drug called tik. Please pray that the Lord will deliver her from this drug and make her realize her need for Jesus Christ as Lord and Savior.

Mr. and Mrs. Porter are unsaved and belong to the Old Apostolic Church. We trust the Lord that we will be able to have a service in their home in order to preach the gospel of Jesus Christ. Please pray that they also will see their need for Jesus Christ.

Our Father's day service was really a blessing and glorified God. My son-in-law Ricardo Creighton, who is presently being equipped for youth ministry at the Baptist College, preached. The Bible club children sang the song "Draw me close to You." We praise God that three people committed their lives to Jesus Christ as Lord and Savior. Their names are Joann Hermanus, Greg Thomas, and a young man named Gershwin. We are now busy getting them involved in the new believer's Bible study. Please pray that they will be protected from evil influences and remain committed to the Lord. Pray that they will develop a love for God's word.

We thank you for all that you do to help and encourage us here. Your prayer support is very important to us and is vital to our ministry. Thank you for your faithfulness.

Yours in the name of Jesus Christ,

Pastor Norman Barnes
