serving in **MOSEL BAY**

Dear Prayer Partners,

Greetings in the wonderful name of our Lord and Savior Jesus Christ.

I thank the Lord for the love, peace and grace He bestows on us every month. Sometimes we complain and don't see God's hand of protection on us. Praise God that His word teaches us to cast all our cares upon Him, for He cares for us.

April was a very busy and fruitful month. I left Mossel Bay to go and work with Samaritan's Feet. We began by having a ladies' seminar to which over 400 women came. Many of them recommitted their lives to the Lord. On Sunday, we preached in different churches in the area, and many souls came to know the Lord as personal Savior. The next day we went into the schools to minister to the children and teachers. At two of the schools, we washed the children's feet and put on their new shoes. For some children this was an amazing experience, and for others it was a day of salvation. Two hundred and seventy children received the Lord Jesus as Savior. After ministering at the schools, we set up a youth ambassador program for the sixth graders.

Pray for our ministry in Asla. We have put together a special Sunday evening program for young adults who do not attend any church. Please pray that the Lord will draw more of them to come to our services, and that we will effectively and clearly tell them God's word.

We are also busy preparing for our mission trip to Port Elizabeth. We need to raise funds for transporting the food we will be taking along. This food will be used to feed the children we minister to, so that they will have something to eat each day. We also want to give the children fruit and a little candy. Please pray that these children, as well as the young adults, will be hungry for God's word.

My family is doing well, but we ask for your continued prayers on our behalf. Justin finished grade 11 at the top of his class. Pray that the Lord will give him wisdom and guidance for his future. My wife, Roslyn, is still working almost every week without a weekend off. Please pray for her health and strength.

Thank you for your prayers and support. We really appreciate it.

Blessings,

Pastor Sidwell Bowler
