

VUYISILE QIKI
serving in JOHANNESBURG

Dear Prayer Partners,

Greetings in the name of Jesus Christ.

The church is doing well spiritually, and we have finished studying the third book of John. My next book for expository preaching will be First Thessalonians, and I am looking forward to our time in this great book. I am eager for my fellow believers to be transformed into the image of Jesus Christ as the Lord reveals Himself each week through the teaching of His word. The prayer meetings are also doing well. They are exciting times of lifting our hearts together to the Lord as we pray for each other, the church and the world.

In our Bible study, we are continuing with the Gospel according to John. The brethren are enjoying it so much; they tell me that they look forward with anticipation to each study. I am seeing spiritual growth and fruit among those who attend regularly. There is improvement in the way they pray, the way they reason from the Scriptures and the way they answer questions. Praise God for His powerful Word. Please pray that the members' enthusiasm for the Bible will remain strong, and that this enthusiasm will draw others to the Lord.

The response to my door-to-door evangelism is still very slow. However, regardless of the fruit I see, the Lord knows what is happening in the people's hearts and how He is going to bless my efforts. I am committed to work diligently for His glory. Please pray that the Lord will open hearts to receive the gospel and draw many to Himself as we continue to serve and glorify Him.

Thank you very much for your continued faithful support and prayers. We are extremely grateful to our Lord and Savior Jesus Christ for your partnership in this ministry. We are expecting God to do great things.

Sincerely in Christ,

Pastor Vuyisile Qiki
