

Dear Prayer Partners,

Greetings in the name of our Lord Jesus Christ. We give thanks to our God who kept us throughout this past year. We are looking forward to 2012. I took a vacation to be with my family. Some of them live a distance away, so it was good to be with them again.

The first week of December we held a young adults' camp for those between the ages of 18 and 30. It was successful in that the group we targeted came and it was a blessing to meet them. Most of them are working adults. Our aim was to challenge them to participate full-time in the work of the Lord, especially in their home churches.

We have two pastors who graduated from college. We hope that in 2012 they will each be called to shepherd a church. The difficulty the churches are facing right now is financial strain. And, there are some churches that are not growing well. Some of the pastors have to work part-time in order to provide for their families.

The latter part of the month, I was in bed with the flu. But I thank God for His mercy—I am now doing well.

Thank you for your prayers during the year of 2011. We ask you to continue even in 2012. Thank you also for the financial support.

In Him,

Pastor Richard Seku
