

Dear Prayer Partners,

I greet you in the wonderful name of our Lord Jesus Christ. My family is doing well, and we hope you are, too.

I returned recently to visit my first church-plant in Lower Crossroads. This is a squatter area where unemployment and crime are huge problems. This fellowship now has 70 members and a few of the people are employed. There are many students at the secondary level and the body of Christ is doing their best to encourage them in their studies.

The church-planting work in Idutywa continues. We look forward to holding crusades in September, after the winter rains are over. In all our plans, we trust God's help and direction. God's presence must be in our plans or else they will be in vain.

It is a great privilege for me to have this opportunity. It is my heart's cry to fulfill the great commission and to totally surrender to the Lord. I pray that, day-by-day, the Lord will transform people's lives.

We are so grateful to see God's involvement in our lives. There is none like Him. Our desire is to see people coming to God. May He richly bless you as you pray with us.

Yours faithfully,

Pastor Nokolelo ZaneKile
