serving in LOME

Dear Prayer Partners,

We have visited many churches in the recent months. We organized a two-day revival with two small churches in Adetikope. We entered into the new year by remembering all the great things the Lord has done in our lives and in our families. We had a wonderful time preaching the good news of Jesus and praying for the body of Christ. The Lord manifested Himself in mighty ways and the whole church was encouraged as they moved into the new year, confident in God and expecting new wonders from the Lord. We also had a picnic together. This was wonderful—to see the brethren rejoicing in the Lord.

The last leadership meeting was a blessing as we came together, making plans and decisions for 2011. We took this opportunity to ponder all the training we have had and the progress of the churches that have been planted. This gathering was very helpful, according to the leaders present. Many of the leaders have already started community projects in hopes of being able to reach more people with the gospel message. Some of them are hosting French or English classes after school for children who want to learn more. These programs are doing well because many children are being ushered into the kingdom and this allows us to reach their parents.

Two large crusades were held in Gblainvie and Donor. These were organized in order to share the good news with these communities. During the daytime, we went door-to-door evangelizing and visiting the people. We loved the time we had just to talk with the people and to pray for them. Many gave their lives to Jesus during these crusades. Please do pray for these new believers.

Every Wednesday and Friday night, Bible studies and prayer meetings are being held for an hour and a half. We are going through the Bible and learning how to apply truths to our personal lives. These meetings help our members to grow to maturity in their walks with the Lord.

Thank you for your prayers and support. Please continue to pray.

In Christ,

Pastor Atitso Kodjo
